Hush Heath Estate in the heart of the Garden of England, Kent is home to the Balfour-Lynn family who produce international award-winning English wines and ciders, and are the owners of St. Bart's as well as three other pubs, restaurants and boutique hotels in Central London and Kent.

The Winery set in 400 acres of immaculate vineyards, apple orchards, and ancient oak woodlands is a veritable eden and a fitting setting for their wines and vision. The vineyards, orchards and Winery are maintained with the same passion and pride as the Hush Heath Manor and gardens.

The Winery and vineyards are open 7 days a week for tours and tastings between 11am and 5pm, there's no need to book and it's free. Visit www.hushheath.com or telephone 01622 832 794 for details on all tours and tastings.
